

smartCommunicator[®]

From the Innovators of the Award Winning smartSurvey comes:

smartSurvey2Go[™]

Take your questions directly to your source.

Go where email, voice, and SMS surveys cannot.

FREE download, monthly cost of \$4.95/active user.

No usage costs or overages. No Hidden Fees!

With the smartSurvey2Go mobile application, you will deploy, manage, and analyze teams of volunteers using traditional face-to-face polling techniques enhanced by modern GPS location, digital surveying, and real-time data feedback.
